AWANTIPORA, KASHMIR

Office of the Community Connect

One Day Exposure Visit for Students of Shah -i- Hamdan Public School, Shopian.

Date: 13-08-2026

Target Audience: Students of Shah -i- Hamdan Public School, Shopian., Shopian.

Description:

The Office of Community Connect (IUST), under the aegis of the Dean Outreach, organized a one-day educational exposure visit for the students of **Shah -i- Hamdan Public School, Shopian**, on **13th Aug 2026**. The programme witnessed the participation of 55 students accompanied by 03 faculty members and was aimed at familiarizing them with the university's academic and research environment.

During the visit, the students explored key facilities, including the **Rumi Library and the Athletic Track**, gaining a better understanding of the various resources and amenities available on campus. An interactive session was also conducted during the visit providing the students an opportunity to engage with the university representatives.

The participants also toured the **Centre for Innovation and Entrepreneurship Development (CIED)** and learned about innovation, entrepreneurship, and start-up initiatives promoted by the university.

The programme provided students with meaningful exposure to higher education opportunities, emerging fields and entrepreneurship.

The students and accompanying faculty members expressed satisfaction with the visit and appreciated the opportunity to explore the campus and learn beyond the conventional classroom setting.
