

**Govt Boys High School Akad Pahalgam Visit CIED–IUST for Entrepreneurship
Awareness Programme (EAP)**

16-09-2026: Students and Teachers of Govt. Boys High School Akad Pahalgam visited the CIED–IUST Foundation at the IUST Innovation Campus to participate in an Entrepreneurship Awareness Programme (EAP). The initiative was designed to acquaint young students with innovative ideas, emerging technologies and the growing opportunities within the startup and entrepreneurial ecosystem.

The visiting delegation was welcomed by Mr. Shameem Iqbal, Manager CIED–IUST Foundation, who briefed the students on the Foundation’s vision, mission and various initiatives aimed at fostering innovation, creativity and entrepreneurial skills among students and aspiring entrepreneurs.

Addressing the students, Mr. Iqbal highlighted the growing significance of entrepreneurship in today’s rapidly changing professional environment. He encouraged the young participants to nurture curiosity, think creatively, develop problem-solving abilities and acquire practical skills. He also emphasized that entrepreneurship can serve as an important pathway for career growth and self-development.

As part of the programme, the students undertook an experiential tour of the Foundation’s state-of-the-art facilities, including the i-Factory Lab, Design & Development (D&D) Lab, Training & Development Lab and UltraTech Cement Lab. The students were introduced to contemporary technologies and observed practical demonstrations of equipment such as 3D printers, 3D scanners, PCB prototyping machines, CNC machines and laser-cutting systems.

The exposure enabled the students to gain a practical understanding of how ideas can progress from conception to tangible solutions through experimentation, technology and innovative thinking.
