One-Day Exposure Visit for Students Government Higher Secondary School Salia Mattan

Date: 12-10-2026

Awantipora, October 12: As part of its continued outreach initiatives to strengthen school–University engagement, the Islamic University of Science and Technology (IUST), Awantipora, hosted a group of 38 students from Government Higher Secondary School Salia Mattan on Monday for an educational campus visit coordinated by the Office of the Community connect Under the aegis of Dean outreach. The visiting group, accompanied by 10 faculty members, was introduced to IUST's academic ecosystem through interactive sessions and guided visits. The sessions were facilitated by the Departmental of community coordinators faculty members/staff who interacted with the students and shared insights into academic opportunities The Students attended two interactive sessions conducted by faculty members of the Mantaqui Centre and Nursing College the Students explored the University Rumi library and Syed Mantaqui Medical College and Hospital, gaining Valuable Exposure to Higher Education facilities.

The sessions provided insights into the subjects, academic opportunities, and research activities being carried out at the department. The visit provided Students with an opportunity to broaden their understanding of higher education and explore potential academic pathways. The interaction was facilitated by Mr. Taufiq Hussain (IUST) and tutors MS. Nighat Rasool and Ms. Fahmeeda Mehmod

The Visiting Students and faculty members also explored the university campus and appreciated its academic environment and appreciated its academic and research facilities available at IUST. The Visiting Students and faculty members also Explored the University Campus and appreciated its academic environment and infrastructure

The visiting institution described the overall experience as “Excellent,” appreciating the University's interactive approach and the enriching learning environment provided to the students. The visit was coordinated by Dr. Shaiqa Nasreen Coordinator community connect
