One-Day Exposure Visit for the Students Government Degree College Pattan

Date: 14-10-2026

Awantipora October,14: As part of its continued outreach initiatives to strengthen school–University engagement, the Islamic University of Science and Technology (IUST) Awantipora, hosted a group of 23 students along with 3 faculty members from Government Degree College Pattan on Tuesday for an educational campus visit coordinated by the Office of the Community connect Under the aegis of Dean outreach facilitlitated an educational visit to the Department of Food Technology to provide Students with practical exposure to food processing and related technologies. During the Visit, the students Interacted with faculty members and explored various facilities associated with food technology. The sessions focused on enhancing their understanding of food processing equipment, techniques, and the processing of fruits and Vegetables.

The visit provided students with Valuable practical insights into the Department food technology and its applications. The participants expressed satisfaction with the overall experience and appreciated opportunity to gain hands -on knowledge beyond the classroom. The programme reflects IUST, continued commitment to experiential learning, academic Outreach, and Strengthening students understanding of scientific and technological applications.

The sessions were facilitated by the Departmental of community coordinators faculty members/staff who interacted with the students and shared insights into academic opportunities The Students attended two interactive sessions conducted by faculty members of Department of Food Technology and the Centre for Innovation Entrepreneurship Development provided insights into the subjects, academic opportunities, and research activities being carried out at the department. The visiting institution described the overall experience as “Excellent,” appreciating the University's interactive approach and the enriching learning environment provided to the students. The visit was coordinated by Dr. Shaiqa Nasreen Coordinator community connect
