One-Day Exposure Visit for Students Government Boys Higher Secondary School Budgam

Date: 24-08-2026

Awantipora, August 24: As part of its continued outreach initiatives to strengthen school–University engagement, the Islamic University of Science and Technology (IUST), Awantipora, hosted a group of 80 students from Government Higher Secondary School Budgam on Thursday for an educational campus visit coordinated by the Office of the Community connect Under the aegis of Dean outreach. During the Visit, the Visiting group Explored the Centre Artificial Intillengce, Department of Computer Science and CIED in Higher education and future Carer opportunities. The Interaction also encouraged Students to Explore new areas of Learning beyond the conventional classroom Environment.

The sessions were facilitated by the Departmental of community coordinators faculty members/staff who interacted with the students and shared insights into academic opportunities The Students attended two interactive sessions conducted by faculty members of Department of Computer Science, Centre Artificial Intillengce and the Centre of Innovation provided insights into the subjects, academic opportunities, and research activities being carried out at the department. The visiting institution described the overall experience as “Excellent,” appreciating the University's interactive approach and the enriching learning environment provided to the students. The visit was coordinated by Dr. Shaiqa Nasreen Coordinator community connect
