Govt. Girls High School Ahmedabad Kulgam Visits CIED–IUST Foundation to Gain Exposure to Innovation and Entrepreneurship

05-11-2026: A group of students and faculty members from Govt. Girls High School Ahmedabad, Kulgam, visited the CIED–IUST Foundation at the IUST Innovation Campus on 5th November 2026 as part of an Entrepreneurship Awareness Programme (EAP) to familiarise students with the growing opportunities in innovation, technology and entrepreneurship.

The visiting delegation was welcomed by Mr. Tahir Showkat, Assistant Manager, CIED–IUST Foundation, who briefed the students about the Foundation's objectives, ongoing activities and initiatives aimed at promoting entrepreneurship, innovation and skill enhancement. He highlighted the importance of hands-on training and industry-oriented education in equipping students with practical knowledge and future-ready skills. He also shared information about the Mission Yuva Scheme and various short-term skill development programmes offered by the Foundation.

To provide practical exposure, the students were taken on a guided tour of the Foundation's state-of-the-art facilities, including the iFactory Lab, Design and Development (D&D) Lab, Training and Development Lab and UltraTech Cement Lab. During the visit, they explored modern technological infrastructure and witnessed demonstrations of advanced equipment such as 3D printers, 3D scanners, PCB prototyping systems, CNC machines and laser cutting equipment.

The visit concluded with an emphasis on strengthening the connection between classroom education and practical learning. The initiative aimed to inspire students to discover their potential, embrace innovation and consider entrepreneurship and skill-based careers as promising pathways for their future.
