Entrepreneurship awareness and Sensitization Camp of Govt Higher Secondary Mahind Bijbhera at CIED IUST Foundation.

The Entrepreneurship Awareness and Sensitization Camp at Govt Higher Secondary School Mahind Bijbhera, organized by the CIED IUST Foundation, is indeed an inspiring initiative. It focuses on educating students about the essentials of entrepreneurship, nurturing innovation, and motivating them to view entrepreneurship as a viable career option.

Participants can look forward to engaging workshops, interactive sessions, and insightful discussions led by experienced entrepreneurs and industry professionals. These programs not only raise awareness but also equip students with vital skills in business planning, financial literacy, and marketing strategies.

Such initiatives play a crucial role in developing an entrepreneurial mindset among youth, empowering them to identify opportunities and build the confidence to turn their business ideas into reality. It's a great step towards fostering a culture of entrepreneurship in the region.
