AWANTIPORA

Entrepreneurship awareness and Sensitization Camp of Paramount High School at CIED IUST Foundation.

The Entrepreneurship Awareness and Sensitization Camp at Paramount High School, organized by the CIED IUST Foundation, is a commendable initiative aimed at empowering students. By focusing on the essentials of entrepreneurship, it encourages innovation and motivates students to see entrepreneurship as a viable career path.

Participants will benefit from engaging workshops, interactive sessions, and insightful discussions led by experienced entrepreneurs and industry experts. These programs not only enhance awareness but also provide essential skills in areas like business planning, financial literacy, and marketing strategies.

Such initiatives are vital for cultivating an entrepreneurial mindset among youth, helping them recognize opportunities and gain the confidence to transform their ideas into successful ventures. It's an excellent step towards promoting a thriving culture of entrepreneurship in the region
