#### **Entrepreneurship awareness and Sensitization Camp of Govt Degree College Sopore at CIED IUST Foundation.**

The Entrepreneurship Awareness and Sensitization Camp at Govt Degree College Sopore sounds like a wonderful initiative! It's great to see efforts aimed at empowering students through entrepreneurship education. The combination of workshops, interactive sessions, and discussions with experienced entrepreneurs can truly inspire and equip participants with the skills they need to navigate the business world. By focusing on essential areas like business planning, financial literacy, and marketing strategies, the camp is setting students up for future success. This kind of initiative can ignite creativity and foster a spirit of innovation among young people.
