

Exploring Refrigeration and AC in the Food Industry and Career Choices

The Department of Mechanical Engineering at Islamic University of Science & Technology, Pulwama, in collaboration with Industry Connect, hosted the event "Exploring Refrigeration and AC in the Food Industry and Career Choices". The event featured an expert lecture by Mr. Abdul Basit Sheikh, who provided invaluable insights into the dynamic world of cooling systems and the career opportunities it offers.

We extend our heartfelt gratitude to Mr. Abdul Basit Sheikh, for gracing us with his expertise and making the event a resounding success. We would also want to thank Dr. Shuhaib Mushtaq for his devotion and hard work in organizing such a successful event, and we look forward to many more in the future.
