

## **IUST organises health camp in Awantipora**

**Awantipora, June 3:** In keeping with its mission to provide the maximum possible benefit to the local community, the Office of Community Connect Islamic University of Science and Technology (IUST), in collaboration with the Health Center of IUST and New Bio Care Clinical Laboratory, Awantipora, conducted a free health camp for the adjacent community of IUST on 31st May and 1st June, 2022.

During the camp, free medical check-ups and base-line investigations were conducted, which were done by the Medical Officer of IUST Dr. Zahida Rasool and her team, and free medicines were also distributed among the patients.

According to Coordinator, Community Outreach Shazana Andrabi 'more than 100 patients (male/female/children) were examined during this camp'.

The community appreciated the team of IUST for conducting a first of its kind program in the immediate vicinity of IUST, and hoped that such programs would continue in future.
